

Lilavati Hospital and Research Centre

More than Healthcare, Human Care

NABH Accredited Healthcare Provider

ADVANCED STROKE READY CENTRE

*Every Second Counts.
Every Life Matters.*

FAST. SKILLED. ADVANCED.

At Lilavati Hospital, we bring together cutting-edge science and compassionate care through our Comprehensive Stroke Ready Centre, designed to offer immediate response, Advanced Diagnostics, and the latest in Interventional **Stroke Care - 24x7.**

What Makes Us Stroke Ready?

1 24/7 Acute Stroke Response Team

A Rapid-response Team of Neurologists, Emergency Physicians, Neuro-interventionists, Radiologists, and Stroke Nurses ensures time-critical decisions are made with precision.

2 Advanced Imaging for Rapid Diagnosis

- **CT Brain & CT Angiography:** For swift identification of ischemic and hemorrhagic strokes
- **MRI with Diffusion:** Weighted Imaging (DWI) for early detection of infarcts
- **CT Perfusion Imaging:** To assess salvageable brain tissue
- **Artificial Intelligence - Assisted Imaging:** To support faster triage and treatment decisions

Cath Lab

3 IV Thrombolysis

Clot busting injection given within thrombolysis window period upto 4.5 hrs of onset of acute stroke

4 Interventional Stroke Management

Our Neuro-interventional Radiology Suite is equipped for:

- **Mechanical Thrombectomy:** Removal of large vessel clots using minimally invasive catheters—up to 24 hours from symptom onset (in eligible cases)
- **Aneurysm Coiling & AVM Embolization:** For Hemorrhagic stroke management and prevention
- **Carotid Angioplasty & Stenting:** To restore blood flow in high-risk patients with carotid artery stenosis

5 Advanced Monitoring & Neurocritical Care

- Dedicated Neuro ICU with continuous brain monitoring
- Multimodal neurological monitoring for patients with complex stroke
- Tele-stroke services for real-time consultation and rural outreach

6 Comprehensive Rehabilitation & Recovery

We offer a full spectrum of post-stroke rehabilitation services under one roof:

7 Prevention & Community Outreach

- Free Stroke Risk Screening Camps
- Hypertension, Diabetes & Atrial Fibrillation Control Programs
- Educational Drives on Stroke Awareness using the FAST Principle
