

Lilavati Hospital and Research Centre

More than Healthcare, Human Care

Presenting our new

PARKINSON'S DISEASE & DEMENTIA CLINIC

India has long been waiting for comprehensive care for patients of **Parkinson's Disease and Dementia**.

These conditions steal away the dignity, happiness and enthusiasm among the elderly.

What's more- even young population is now developing these degenerative conditions of the brain.

Caregivers and family are at the end of their wit and often feel frustrated and burnt-out because nobody advises how to handle these patients, how to deal with them at home, what to do in case of minor or major issues that arise time and again.

Both **Parkinson's disease and Dementia** are very complicated and need a team of specialists, specifically trained to handle conditions like:

Movement Disorder Neurologist

Neuropsychologist

Speech and Swallow Specialist

Counsellor

Dietitian and Neuro-physiotherapist

For this purpose, along with a team of all the specialties mentioned above.

Dr. Rajas Deshpande & his team will be available every First and Third Monday at Lilavati Hospital

Along with all other essential care required we will

First confirm the patient's diagnosis

Make a complete health profile

Educate family about their condition & possible prognosis.

Counsel caregivers about patient's medication, investigations & cross consultations

Customise their Diet

Physiotherapy

Psychotherapy

Why visit different specialties at different hospitals for a single patient? We will make sure that your patient of **Parkinson's Disease or Dementia** will be seen by all necessary specialities under the same roof at the same time.

Please do take advantage of this **First-in-India** facility to return your beloved family member their dignity and right to a healthy and happy life.

Available every 1st and 3rd Monday
For enquires: 82912 80422
