## Prem Chopra returns home

As per news agency ANI, Prem Chopra's family confirmed that the veteran actor has reached home after treatment at the Lilavati Hospital on Saturday. Prem Chopra had been admitted under the care of cardiologist Dr Nitin Gokhale. "He is a known case of cardiac ailment and he also had a viral infection, and that's why I'm treating him for the lungs. He is not in the ICU; he is in the ward," Dr Jalil Parkar of Lilavati Hospital told in a statement.
