## DEPARTMENT OF PEDIATRICS & PEDIATRIC SURGERY

The dedicated Department of Pediatrics and Pediatric Surgery is located on the 10th floor of the hospital building in the 'B' wing which is dedicated primarily to child care. The Department of Pediatrics and Pediatric Surgery is serving with the utmost compassion and empathy the unique needs of our youngest patients.

It's a tertiary-level center with facilities of PICU and NICU with a team of Pediatricians, Pediatric Surgeons and nurses working round the clock for a high standard of care. We also provide diagnostic services such as Pathology, Radiology, and others.

We have super specialties in Pediatric such as Pediatric Neurology, Pediatric Nephrology, Pediatric Hemat-Oncology, Pediatric Pulmonology, Pediatric gastroenterology and Pediatric Endocrinology.

We have a well-established Pediatric Surgery Department, providing comprehensive surgical care for newborns, infants and children. From routine procedures to complex life-saving interventions, our team delivers safe, precise and compassionate care with consistently excellent outcomes. We have a dedicated team of specialist Pediatric Surgeons including: Thoracoscopic and Laparoscopic Surgeons, Pediatric Urologists and Pediatric Gastrointestinal & Hepatobiliary Surgeons who are experts in their respective fields.

We are also a **major tertiary referral centre for Spina Bifida**, offering comprehensive multidisciplinary management including neurosurgical care, continence management, orthopaedic surgery and rehabilitation.

In addition, our Pediatric Orthopedics unit plays a vital role in restoring function and improving quality of life. Whether managing scoliosis, treating congenital limb conditions, or helping a child recover from fractures and trauma, our Pediatric Orthopedician focuses on mobility, growth and long-term musculoskeletal health.

We also provide services for the retrieval of the newborn from the peripheral centres requiring NICU care and Surgeries.

Through their tireless efforts and unwavering commitment, our

renowned consultants embody the very essence of excellence in pediatric care.

We have recognized postgraduate training in the Department of Pediatric surgery (6 year course) since 2002 and in the Department of Pediatrics since 2006. We are also an examination centre recognised by the National Board of Examinations, New Delhi since 2012. The postgraduate students form an important backup of the department.

Eminent Senior Consultant Pediatricians and pediatric surgeons, all stalwarts in the field of Pediatrics and Pediatric Surgery and in their respective sub specialities.

Consultant Intensivist Pediatrician available in the hospital 24 hours with a dedicated team of clinical associates and DNB resident doctors.

Qualified and well trained nursing staff providing compassionate care to your loved ones.

Round the clock casualty and emergency services.  
Child friendly pediatric ward with play area in the lobby for children.

Procedure room to perform Lumbar puncture, Bone marrow aspiration and biopsy, renal biopsy etc.

OPD services including Vaccination.
